Membership to the River Station Community Association (RSCA)(A Non-Profit Corporation - membership available to all River Station and Riverbank Run Residents)

A major benefit of living in River Station is membership in the RSCA. With an attractively landscaped location backing up to the Chattahoochee River, we have one of the nicest swim and tennis facilities around the Peachtree Corners area. Our club has wonderful river frontage offering some of the best trout fishing and views around from your own river bank bluffs. Either walking along the river, laying by the pool or playing tennis you are able to hear the rush of the Chattahoochee River. RSCA provides year round activities for members of swim and tennis association regardless of age. The RSCA sponsors the following major activities:Pool

Our pool is open from May to September. Over 100 days!! It is supervised by a professional pool management group who provide trained lifeguards. The swim team committee sponsors swimming lessons for our children and a competitive swim team. The pool is also the location of many social functions such as swim parties and swim team meets. The pool & tennis courts are focal points for spring, summer and fall activities which provides after work relaxation and exercise.
